

Changes to the fourth edition following July 2022 update

Section Page Amendment

Introduction

Table 1 4 E-WS-6 was mistakenly omitted in the April update. This is now back on the list.

Separating Wall – Masonry

E-WM-22

All Plasmor Aglite Ultima block type removed from this Detail.
Refer to E-WM-34 ongoing.

Separating Floor – Concrete

E-FC-5

Checklist 6 Point 2 reworded to emphasise that min.200mm planks are required where aircrete is used in all flanking walls.

Point 10 reworded to emphasise that ceiling treatment CT5 is required where aircrete is used in all flanking walls.

E-FC-6

All “Regupol E48” has been renamed “REGUPOL sonus curve 8”.
